2. Dates and Schedule

The Preliminary Competition Schedule of the H&N Cup is attached to this General Information.

The latest Schedule updates will be provided at the Technical Meeting.

3. Rules and Regulations

The H&N Cup will be conducted according to the actual ISSF Rules and Regulations –

Detailed Information is available on the ISSF website www.issf-sports.org.

ISSF Juries (Competition Jury, RTS Jury and Equipment Control Jury) will be designated by the BSSB to supervise the H&N Cup. Qualified Range Officers will conduct the competitions.

Rifle / Pistol Equipment

Equipment Control will be conducted according to ISSF Rules using approved, calibrated instruments. Pre-competition testing is not mandatory; however, athletes are responsible for competing with legal equipment and clothing. All athletes are urged to submit any doubtful equipment and clothing to Equipment Control for checking before the competition. All athletes are subject to being selected for random post-competition testing and will be disqualified if their equipment or clothing is not legal according to ISSF Rules.

Rifle Clothing

All rifle athletes must have ISSF seals with serial numbers on their jackets and trousers. Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection. Jackets and trousers that were previously inspected and have an ISSF seal continue to be valid except that athletes with more than one jacket or trousers must report to Equipment Control before their first competition to confirm which jacket and which trousers they will use. Rifle athletes can have only one jacket and trousers used in this competition.
