The Preliminary Competition Schedule of the H&N Cup is attached to this General Information. The latest Schedule updates will be provided at the Technical Meeting.

3. Rules and Regulation

The H&N Cup will be conducted according to the actual ISSF Rules and Regulations – Detailed Information is available on the ISSF website www.issf-sports.org.
ISSF Juries (Competition Jury, RTS Jury and Equipment Control Jury) will be designated by the BSSB to supervise the H&N Cup. Qualified Range Officers will conduct the competitions.

Rifle / Pistol Equipment
Equipment Control will be conducted according to ISSF Rules using approved, calibrated instruments. Pre-competition testing is not mandatory; however, athletes are responsible for competing with legal equipment and clothing. All athletes are urged to submit any doubtful equipment and clothing to Equipment Control for checking before the competition. All athletes are subject to being selected for random post-competition testing and will be disqualified if their equipment or clothing is not legal according to ISSF Rules.

Rifle Clothing
All rifle athletes must have ISSF seals with serial numbers on their jackets and trousers. Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection.
Jackets and trousers that were previously inspected and have an ISSF seal continue to be valid except that athletes with more than one jacket or trousers must report to Equipment Control before their first competition to confirm which jacket and which trousers they will use.
Rifle athletes can have only one jacket and trousers used in this competition.

Rifle Clothing Post-Competition Stiffness Testing
If one panel of a rifle jacket or trousers tests 2.9 or lower, the stiffness device must be recalibrated and the panel must be retested. If it fails again, but all other panels pass, the athlete will not be disqualified, but a written warning must be given to the athlete. The athlete can continue using this clothing in that event. If two or more panels fail, the athlete must be disqualified (DSQ).

Air or CO_2 Cylinders
It is the athlete's responsibility to ensure that any air or CO_2 cylinder is still within its validity date. This can be checked by Equipment Control.

The Bavarian Sport Shooting Federation (Bayerischer Sportschützenbund e.V., BSSB), as the organiser, reserves the right to cancel, postpone, shorten or modify the H&N Cup 2027, in whole or in part. This applies in particular in cases of force majeure, official orders or requirements, risks to the safety or health of participants, unavailability of the shooting range, and any other events beyond the organiser's control.
Participants, teams, delegations and officials acknowledge that travel bookings, hotel reservations, transfers, visa costs and any other expenses are made at their own risk. The organiser shall not be liable for any costs or damages arising in connection with a cancellation, postponement or modification of the event. This applies in particular to flight, rail and hotel costs, cancellation and rebooking fees, visa costs, loss of earnings and any other travel expenses. No claim for reimbursement of such costs shall lie against the organiser.
Entry fees and transport fees already paid to the organiser will be refunded in the event of a complete cancellation of the event. Any further claims are excluded.
